Cecilia,

I think you and Jim have been discussing a possible quick visit by us to KC to talk about best path forward on our support for your West Lake work. Due to schedules, the best week/date for us might be May 15, if that works for you. Is that too much of a delay from your perspective? We could try to squeeze in next week but it would be quite difficult. Let me know if that might work, and I'll work on Jim's schedule, etc. Thanks - Dana
